Many thanks to everyone who turned out this, not so pleasant evening. A cooler evening for the January race at 2.5°C but generally good conditions and not icy underfoot. Tonight there were seventeen finishers - those above the green line improved upon their handicap time.

Next month's start times will be based upon today's finish (for those that ran today and if not will be based upon their previous finish time). Anyone that finished before 19:20:00 will have their start time reduced by the amount they improved. Anyone who finished after 19:20:00 will have their start time extended by 25% of the time they took beyond 19:20:00 subject to a maximum increase of 30 seconds.

[Names and times in red are those runners who have set their time today. They can only qualify for one point irrespective of finishing position.]
